

STUDENT COMMUNITY SERVICE HOURS

In addition to 24 credits, TCA Students are required to complete 20 hours of community service every year. Service hours must be completed in a VOLUNTEER status only. No form of payment or goods can be received as a result of service provided by the student. Only 10 of the 20 hours may be as service in your church. The other 10 have to be served in the community. Document hours throughout the year and return this form with your final grades.
